STOP **Holiday Service – the last loop on designated holidays departs the Waldorf Transfer Point at 5:00 PM.**

On this Business Loop, the route serves Festival at Waldorf by entering in front of the Circuit City, traveling to the CVS area of the center, and then exiting near PetSmart at the light on Berry Road. Waldorf Marketplace service includes traveling around the parking lot area, then driving in front of the stores from AC Moore and Safeway to PetCO, and exiting via the service road in front of the stormwater management pond.

County Plaza is served from the northern most entrance along Route 301 near the gas station and traveling in front of all stores until Giant Food, then crossing Plaza Drive, and exiting to 301 South near Bob Evans. The St. Charles Towne Center Plaza is served in the middle and at the end of this Business Loop.

Business Loop A also includes residential areas along Billingsley Road between Route 301 and just east of Middletown Road. Because the residential service is on the end of the loop, residential passengers are able to get to the main transfer point in Waldorf directly.
