The La Plata A route is the link between the La Plata and Waldorf service areas, enabling passengers whose routes converge in Waldorf to travel to La Plata and vice versa. Additionally, La Plata A provides access to the College of Southern Maryland and the Health Department. To minimize ride time for passengers, the College of Southern Maryland is served by La Plata A as part of both its northbound and southbound travel. With the exception of the two stops at the College of Southern Maryland, La Plata A travel is exclusively along Route 301 between the two transfer points.
