Collected trash needs to be removed from: _____

(Please specify trash location, i.e., "the intersection of....." "area near AAR sign" "entire roadway" etc.)

Collected trash has already been disposed of.

In order to have collected trash removed quickly and to insure appropriate credit towards cleaning requirements, litter pick-up must be reported by faxing this completed report form to 301-932-3579 or by calling 301-932-3599. If you choose to call, completed report form must then be mailed to the Department of Public Facilities at 1001 Radio Station Rd., La Plata, MD 20646 to receive credit.

Thank you once again for participating in this environmental program sponsored by the Charles County Commissioners. Volunteers are an integral part of our litter control efforts and each and every individual can truly make a difference! Together, we continue to work towards making our county a cleaner, healthier place to live.
