**Lowest Penomac River Trail (Port State Park, the Potomac River and Mallows Bay)**

This trail is a part of the larger Port State Park, which is located on the Potomac River. Features include a boat launch with pier, portable toilet, and a boat ramp. The trail is good for a variety of activities, such as hiking, bird watching, and historical exploration. The area is rich in history, with the sunken ship graveyard in Mallows Bay being a major attraction. The Potomac River offers excellent fishing opportunities as well.
